Dear Parents/Carers

### **TERMS 5 AND 6 (SUMMER) CURRICULUM FOCUS 2017**

Please find overleaf a copy of the Curriculum Focus for Terms 5 and 6 for your child's year group. This plan gives an overview of the work to be covered this term, covering all areas of the curriculum and indicating the focus and objectives.

If you feel that you are able to loan any relevant artefacts, share expertise and experiences by coming in and talking to the children or assist on any trips or visits please contact your child's class teacher.

If you are unsure of the methods that teachers are using, then please do come in and ask. If this is not possible, then writing a note in your child's Reading or Homework Diaries are good means of communication.

We hope that you find this term's 'Curriculum Focus' informative and helpful. Once again we would welcome feedback from parents.

Yours sincerely

**John Coles**  
**Headteacher**
