To Parents/Carers of Children in Y1 → Y6

Dear Parents/Carers

TERMS 5 & 6 2023 - CURRICULUM FOCUS

Please find overleaf a copy of Terms 5 and 6 Curriculum Focus for your child's year group. This plan gives an overview of the work to be studied in these terms, covering all areas of the curriculum.

If you feel that you are able to loan any relevant artefacts, share expertise or experiences by coming in and talking to the children or assist on any trips or visits please contact your child's class teacher.

If you are unsure of the methods that teachers are using, for example in Maths, then please do not hesitate to contact your child's class teacher.

We hope that you find the 'Curriculum Focus' informative and helpful. Copies of each Curriculum Focus can be found on the School website. Once again we would welcome feedback from parents.

Yours sincerely

Claire Brookes
Headteacher
