

Literacy

The children will be continuing practising their sounds and blending them into words. They will be introduced to more high frequency words to practise (eg. said, they).

What you can do at home:

Try to share a book with your child as often as you can. This can be their reading book to read to you or reading a picture book at bed time etc.

Encourage your child to practice writing – writing their name, can they write a shopping list, labels for their toys etc.

Physical Development

The children have plenty of opportunities to explore the outdoor area.

In the hall, they are experimenting with different ways of moving through games and activities. We will also be exploring the apparatus.

EYFS - Term 3

'When I Grow Up'

Communication and language

During the year we will be building the children's communication and language through sharing books, stories, songs and story making. We will discuss what is happening, might happen and did happen in the story.

Topic – 'When I Grow Up'

During this topic the children will be learning about different jobs.

What you can do:

- Talk to their family members about jobs
- Read books from the library
- Talk about jobs when out and about
- Talk about what they would like to do when grow up

Our Driver this term is

Express Yourself

This term the children will be given lots of opportunities to express themselves through a range of activities eg. music, art, roleplay. They will have an afternoon pretending to be artists where they will look at famous paintings and sculptures. They will explore different resources to create their own pictures.

Mathematics

Numbers 1-20

Addition and Subtraction

3D shape

What you can do at home:

There are plenty of fun activities and games for children to complete at home. For example, hopscotch, counting jumps and claps, measuring while cooking, recognising numbers on buses and houses etc.

You could build models using boxes etc. and discuss what 3D shapes you are using.

Expressive Art and Design

During our topic on 'When I Grow Up' the children will express their ideas through a range of media; paint, drawing, clay. There will be opportunities to paint themselves in their future job. We will explore builders' tools and helping to construct some bug hotels.

Personal, Social and

Emotional Development

We will continue to have lots of circle times to develop our listening and speaking skills. We will be talking about how to keep safe online, around medicines and about who keeps us safe.
