

## Year 4 – some ideas for Music at home

- Charanga Music Scheme YUMU – [www.charanga.com](http://www.charanga.com)  
I have added a brand new unit for you to try! It's an Anti-bullying rap called 'STOP'. There are lots of pieces of music to listen to just like we do in class. Then there are the games tracks. Maybe you can get someone at home to do the Dancing Bear with you! You can even try writing your own verse in rap style. Just have fun with it all. *If you have lost your log in details (it should be stuck in your reading record) then please email the school office and we can send it to you.*
- Garageband App – If you have access to an ipad or iphone then have a go at creating your own music on the Garageband app, it's amazing! Here's a website with some video clips to help you...<https://musicinisolation.wordpress.com/>
- I would love to see what you have been up to so either post it on Twitter or send it to the school office and they will send it to me.
- Have fun and I will see you soon. Mrs Hart 😊
